

Nidus Acquisitions Profile

As specialists in the development of existing properties, we are always looking for the next forgotten story to be told.

Our portfolio includes buildings from the turn of the century through the post-war period to the 1980s and 90s. One thing is certain: we are always looking for that special property in very good locations, or those that could become so.

Where

Metropolitan Regions

Düsseldorf, Munich, Hamburg, Vienna, Antwerp, Milan

Rural Areas

East and North Friesland, Allgäu, Upper Bavaria, Provence

What

Properties

residential, commercial, industrial, forestry/farmland

Existing Buildings

single family houses, multi-family houses, listed buildings, office/retail, trade
